## Remind Texts

---

We are asking that parents sign up for our Remind text message notifications. To sign up, text @conwaymo to 81010. This is the best way to get reminders about important information.

## Nut Free

---

It has come to my attention that our child with the peanut allergy will not be starting until mid-August. If you would like to send PB&J for lunch, we will allow it until our new student starts.

## Pictures

---

Pictures from our activities are being posted to our Friends of Conway Montessori Facebook page and the website.

## Coming up

---

June 22-26th:

Camping: Tents, Pretend Campfires, Camp Songs, and S'mores!

## Nature: What a Wonderful World!

This weeks activities are:

Monday: The Very Hungry Caterpillar

Tuesday: Gymnastics and a listening hunt

Wednesday: Trees and pond water exploration

Thursday: Branch paintings and nature names

Friday: Revisit favorites

## Supplies Needed

We are still in search of a few supplies for nature week! If anyone has any small sticks or twigs that we can use for a project, it would be greatly appreciated!

\*One other thing that would be helpful would be if any parents out there have old button up shirts that have stains or aren't wearable anymore for us to use as paint smocks.

## Camping Week Supplies

We need a few things for our upcoming camping week. If you would like or are able to help, please let me know! We are on the search for empty 20 oz soda or water bottles and glow sticks. We could also put to good use old bed sheets for fort building!

## Camping Week Note

On Wednesday, June 24th, we will provide lunch for the kids. Going with our camping theme, the staff will grill hotdogs and we will have a "campfire" type lunch. You will not need to send a sack lunch on that day! They WILL need one the rest of the week. I will send a remind out closer to time.

Best wishes!
