NUT FREE SPACE

Please be mindful that we are still going to be a nut free space this summer! No nuts of any kind will be allowed in our facility. Thanks!

Sack Lunches

Daily sack lunches start this week and will continue until August 17th.

Share Day

This Friday is Share Day! Please send something for your child to share with the class.

Share Day will be the first Friday afternoon of the month.

Coming up

June 8th will kick off our summer program! Our theme for the week:

Engineering: "Can you build it? Yes, we can!"

Goodbye and Welcome!

We are sad to say goodbye to Ms Christine, Ms Monika, and some of our kindergarteners, but we are excited to welcome some new faces to the Conway Montessori family!

Please do not hesitate to see me with any questions you may have. We are here to make your transition as smooth as possible for both you and your child!

Meet our new teachers

Katie Lynch

Katie graduated from Arkansas Tech in May with her BA in Music Education. Katie has been working with us in the summers since 2010.

Megan Fallen

Megan worked with us during the 2013-2014 school year and is returning to us from Reno, NV. Megan is working on a degree in Elementary Education.

Bailey Eden

Bailey is a Pre-Med student at UCA and has several years of child care experience. Bailey is new to our team, so please help us welcome her!

Changes are coming

This summer, we are going to try a few ways of getting information to you more conveniently.

- Newsletters will be posted to our website every Friday afternoon
- Paper newsletters will be in your child's folder Monday morning
- Remind texts will be sent out 24-48 hours for important information

Allow me to introduce myself!

I graduated in May of 2011 with my International Montessori Teaching Diploma from the North American Montessori Center in Vancouver, Canada. I attended Conway Montessori School from 1992-1994 and have worked here since 2008.

I love spending time with my two dogs, Taylor and Caesar. Taylor and I did agility together for four years. I am big into music and can play a wide variety of instruments (guitar being the one I play the most). I still volunteer at a couple of my childhood summer camps (one for choir and one for special needs adults) and am active in my church choir and handbells.

Best wishes,

Emily Madden

Director
