Share Day

Our next "Share Day" (show and tell) will be Friday, July 10th. We will have share time when the kids get up from nap.

Auto Draft Payments

We are now offering automatic draft payments as a tuition option! Bring in a voided blank check and sign the authorization form to get signed up for this payment option! Payments will come out on the 1st of the month.

Thank you!

A quick BIG thank you to everyone that has donated supplies to make this summer a memorable one!

Coming up

July 13th-16th:

Science Experiments:
Unleashing the Mini-Mad Scientists

Space: Reaching for the Stars (and planets, and more!)

This weeks activities are:

Monday: Astronaut food and paper mache planets

Tuesday: Gymnastics and constellation boxes

Wednesday: Yarn planets and constellation jars

Thursday: Kaye Clanton guest speaker!

Friday: Share day

Supplies Needed

We could use a few things for science week! We are going to be doing a variety of experiments! If anyone has any leftover halloween or easter candy (the fun size pieces work), we will be testing the effects of different things on them.

We are also going to make "elephant toothpaste" which is a cool foam that the kids can play with. If anyone has any bottles of Hydrogen Peroxide or packets of Dry Active Yeast they are willing to donate, we can put it to a fun use!

Kaye Clanton

Mrs Clanton loves astronomy! This is her first year of retirement after 38 years of teaching public school (formerly the astronomy teacher for Conway High School) and 15 years as an adjunct instructor at UCA. She grew up in lower Arkansas and moved to Conway as a freshman at ASTC/UCA. She has lived in Conway ever since. Mrs Clanton has four kids and four grandchildren. She loves all things nature and her favorite place to be "is under her 'thinking tree' as the skies darken and the planets and stars make their places known." Mrs Clanton will be coming to teach us about constellations and terrestrial planets!

Share Day

A few words about share day. Share Day is our version of "show and tell." Your child may bring one toy or book or item to show to the group. Please make sure that the item has your child's name on it so it is easy to find and return! You may put your child's share thing in the office for safe keeping.

Best wishes!

Emily Madden

Director
