Out of the Office

I will be out of town this week!
Please feel free to call or text me with any questions you might have during the week.
501.499.1640

Open at 7:00

Please remember that we do not open until 7:00. Please see your parents manual and be reminded that there is a \$1.00 per minute charge BEFORE 7 and AFTER 6.

Coming up

July 27-31st:

Archeology: We Can Dig It!

Water, Water, Everywhere!

This weeks activities are:

Monday: Ice boat races, how does it rain, and *One Fish, Two Fish*

Tuesday: Gymnastics, umbrella art, and rainbow bottles

Wednesday: Mason jar aquariums and water experiments

Thursday: OUTSIDE WATER DAY

Friday: Boat building (will it float)

Supplies Needed

We could still use some glass jars, aquarium rocks and plastic plants for Wednesday!

Outside Water Day

Thursday, weather permitting, the kids will be outside getting wet! We will have sprinklers, kiddie pools, and a water wall set up for them to play in. Please send your child to school that day in a swimsuit and flip flops (preferably with backs) and place a change of clothes and a towel in their cubby! If it looks like it is going to rain that day, we will switch days around and notify you via Remind Texts.

Archeology Week

Looking ahead to archeology week, we have a few things we could use! We will be doing some excavation projects and could use some clay pots (they will be smashed at the end of the week).

Best wishes!

Emily Madden

Director
