# THE CONWAY MONTESSORIAN

---

643 Reedy Rd | 501-327-6460 | [conwaymontessori@gmail.com](mailto:conwaymontessori@gmail.com)

---

## Open at 7:00

---

Please remember that we do not open until 7:00. Please see your parents manual and be reminded that there is a \$1.00 per minute charge BEFORE 7 and AFTER 6.

## Out of the Office

---

I will be out of town again the week of August 3-6th. Please feel free to call or text me with any questions you might have during the week.  
501.499.1640

## Coming up

---

August 3-7th:

Archeology: We Can Dig It!

## Wild Kratts: Habitat Adventures

This weeks activities are:

Monday: Animal red rover and animal tracks painting

Tuesday: Gymnastics, yarn snakes, and water animals

Wednesday: Artic animals and how do animals stay warm

Thursday: Safari day and zebra shaving creame art

Friday: Farm animals and handprint sheep

## Meet our new staff!

We are sad to say goodbye to some of our staff! Ms Katie is starting her elementary teaching career at County Line Elementary School! As sad as we are to see her go, Ms Leia will be taking her spot in the mornings!

We are also very sad to be losing Ms Kaitlyn. She is moving and we want to wish her the best! Wednesday will be Ms Kaitlyn's last day.

We are pleased to welcome Claire Vogelgesang to our staff! Claire is a student at Hendrix and is studying Environmental Science. Last summer, she was the Farming Intern at Camp Mitchell on Petti Jean mountain. She has her own photography business, LCV Photography, and loves doing family sessions! Claire will be joining our afternoon staff!

## Supplies Needed

For safari day, we are going to make safari hats! If anyone would like to donate paper plates and bowls, we can use them to make the hats. Please see me for info on these items.

## Changes to the Schedule

Due to a scheduling conflict with our guest speaker for Archeology Week, we are going to switch Archeology Week and Wild Kratts week. Sorry for the inconvenience!

## Archeology Week

Looking ahead to archeology week, we have a few things we could use! We will be doing some excavation projects and could use some clay pots (they will be smashed at the end of the week).

## Start of School Year

The start of our school year is quickly approaching! Our first day of class will be August 17th. We will also start serving hot lunches that day. Please note that that is also the start of our Nut Free policy again. We will have an open house and new parent orientation shortly after we begin our year. I will be sending out more information soon about which teacher your child will be working with and the intern that will be joining our morning team!

Best wishes!

Emily Madden

Director
