### Meet our new teacher!

Hello! My name is Jenny Reeves and I am finishing my practicum year of AMS teacher training from the Montessori Education Institute of North America (MEINA) in Jackson, Tennessee. I have a bachelors degree from Western State College of Colorado. I was born and raised in Little Rock. Went away to Colorado for college and that led to a decade of traveling and adventures! I majored in outdoor recreation and psychology. I lived out west after college working with at-risk teenagers in a wilderness setting. Then moved to the southeast and worked for North Carolina Outward Bound School leading backpacking, climbing, skiing, and boating trips for teenagers. I lived in Australia for almost one year working for Outward Bound there and traveling. I moved back to little Rock in 2011 hoping to find a job that I would enjoy and be close to family. The Montessori method of education is something that I believe in and always have, I attended Montessori as a small child and still remember things that I learned in that environment. I am in training now to become a certified Montessori teacher through the American Montessori Society, and if all goes well, I hope to fulfill my requirements by December of this year! I am thrilled for the opportunity to be a part of Conway Montessori and am looking forward to meeting the children and getting to know them! I love this age group 3-5 year olds they make each day special with their perspective on the world around them, and they are funny! Thanks for sharing your children with us, and I can't wait to get to know you all.

-Jenny

### Welcome!

The school year is finally upon us! We are excited about working with your children this year! A few things to note as we enter our new year together, please try to have your child here by 8:00. Class will start at 8:15. Please check your child's cubby for changes of clothes and their folder by the sign in sheet daily. Your child's art and school work will be put in their folder to be taken home at the end of the day. We will have two parent/teacher conferences this year, one in the fall and one in the spring. Please make sure to check the website frequently and sign up for Remind text notifications for important information. Each teacher will also have a Remind account to sign up for so you can stay up to date with homework and class specific information. Weekly menus will be posted by the front door every Friday so you and your child can see what we will be having for lunch. We are looking forward to a fun year together! Please do not hesitate to talk to any of us with questions or concerns!

Best Wishes,

Emily Madden
