### Photo Release

.....

If you have not signed a photo release for Ms Jenny, please do so and help her out! The pictures are not used online, they are strictly used for grading her practicum teaching and go in her portfolio for the American Montessori Society. Thanks!

### Folders

.....

**PLEASE make sure to check your child's folder by the sign in sheet DAILY. That is where your child will put their art and take home work. Teachers and other parents will sometimes put important information in there as well, like homework assignments or birthday invitations.**

### Montessori Compass

Montessori Compass is up and running! Progress is being recorded daily at nap and our school calendar with closings, parties, and important information is posted. Each teacher is posting their curriculum weekly. Please help us by signing up if you haven't and checking it frequently.

### Missing Paperwork

As I have been going through the files and getting everything loaded into Montessori Compass, I have noticed that I still need some paperwork from some people (old guys included). Over the next couple of weeks, I will be getting in contact with people to get our files updated and complete. Thank you for your patience!

Best Wishes,

Emily Madden
